

New Optometry and Ocular Care Centre (NOOCC Eye Centre) is an integrated optometric **Vision Care, Eye & Optical** centre since **2005**.

We provide professional preventive eye care services in terms of **clinical diagnostic services; optical correction services;** as well as **healthcare education** to organizations, preschools, schools and the general public.

We are pleased to extend the following **eye care benefits** to **SGM** members and family members with effect from **1st September 2023**.

1. Health Checks for the EYE*

Enjoy a **15% discount** for the following clinical diagnostic services for kids, adults and elderly. Valid till 31 December 2023.

- a. **Anterior Eye Health Assessment**
(to screen for cataract, corneal abrasion, lids issues, dry eye etc.)
- b. **Posterior Eye Health Assessment**
(to screen for eye condition that may be related to high blood pressure, high cholesterol, and diabetes as well as to screen for glaucoma and ageing changes).
- c. **Binocular Vision Assessment**
(to check how well your two eyes are able to work as a team so you can achieve comfortable vision as well as to assess for squint and lazy eye).
- d. **Detailed Eye Power Test**
(to assess if you need any correction to see well at far and near as well as do you have lazy eye?)
