Childcare Centre Events

SGM MURNI & LITTLEKIDS

BREAKFAST WITH PARENTS

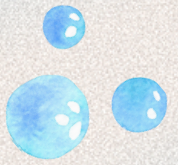

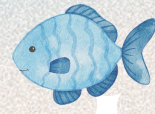

"Breakfast with Parents" was a meaningful event where families enjoyed a cultural meal while discussing their child's learning goals, well-being, and development with teachers.

Each teacher led a class session to highlight the importance of punctuality, share updates, and foster open communication with parents.

CHINESE NEW YEAR

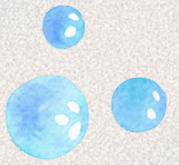

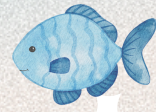

Exposure to diverse cultures helps SGM Murni students develop self-awareness, broaden their perspectives, and build skills for a globalised world.

PG-K2 were gathered at Bay 1 for a presentation and a Dragon dance performance by selected K2 students

CHINESE NEW YEAR

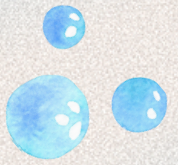

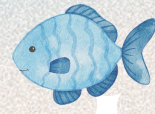

We celebrated the Year of the Snake in style with vibrant red outfits and joyful energy. The children shared oranges, snacks, and smiles all around!

Our little ones had a blast trying the lion dance costume and performing for their friends. They also learned about Chinese New Year traditions in a fun and meaningful way!

WORLD READ ALOUD DAY

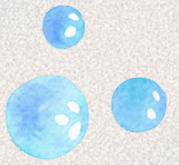

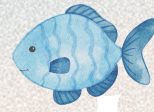

Children are introduced to age-appropriate stories and fun reading activities, and are given the opportunity to browse and select books that interest them.

Teachers encourage book borrowing, promote reading at home, and update parents about library programmes such as story time, crafts, and music sessions.

TOTAL DEFENCE DAY

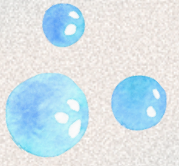

The children celebrated Defence Day by learning about the importance of safety and how we can all play a part in keeping Singapore strong.

They enjoyed a special show-and-tell by Mr. Shahid, a fireman, who shared about his uniform and inspired them with lessons on courage and security.

TOTAL DEFENCE DAY

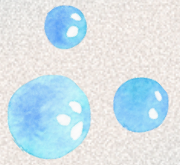

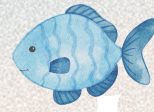

Our little ones suited up as brave officers and soldiers, ready for action! They had a blast navigating through hoops and obstacles with confidence.

Crawling under chairs and dodging through tunnels, the kids showed determination and teamwork. Learning about defence has never been this fun!

MOTHER TONGUE DAY

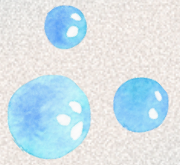

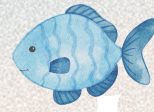

To celebrate International Mother Language Day, SGM Murni held a fun activity where children identified facial features and described their favourite items in Bahasa Melayu.

The activity helped build confidence, vocabulary, and listening skills, while teachers also embraced the spirit of the event by dressing in traditional Malay attire, Baju Kurung.

RAMADAN PROJECT

Children took part in a charity kuih sale to raise funds for Project Goodwill Aid, with strong support from parents and teachers

The event nurtured values of compassion, teamwork, and generosity while allowing children to gain hands-on experience in a fun, meaningful way.
